

# Epic Strides

February Newsletter

## Love is in the air...

Especially here at Epic Strides! We love what we do, and we hope it shows. When we make a connection with a student as they learn something new or when we see the joy in the eyes of a parent as they watch their child bloom; love is what makes these moments possible. This Valentine's Day, see beyond the candy and flowers, to find the love that's all around you.
