March Newsletter

Spring is in the air...

we can't believe how fast this year is already going. This spring, Epic Strides is preparing to branch out. We've been busy getting ready to open a new phase that will add a private pre-school to our clients in need. We are very excited about our growth and we can't wait to share all the details with you soon. St. Patrick's Day is March 17th, remember to dress your child in **green**. We will be celebrating with green snacks (all allergen friendly) and making crafts!
