AUGUST PARENT TIP

QUICK START OF SCHOOL TIPS!

1. Talk to your child frequently about what to expect in the upcoming year
2. Cross days off on your calendar
3. Create a new morning routine and practice it prior to the start of the school year.
4. Take a tour of the school / attend meet the teacher
5. Create a daily school schedule for your child
6. Write a letter/ email outlining your child's strengths, weaknesses, possible sensory issues, dietary restrictions, and favorite reinforcers
7. If your child uses an augmentative device to communicate, make sure all the adults in his or her classroom are familiar with it
8. Last, but definitely not least, try to relax

CHILDREN'S THEATER

JUNIE B.'S ESSENTIAL SURVIVAL
GUIDE TO SCHOOL -
October 8th - 1:30PM

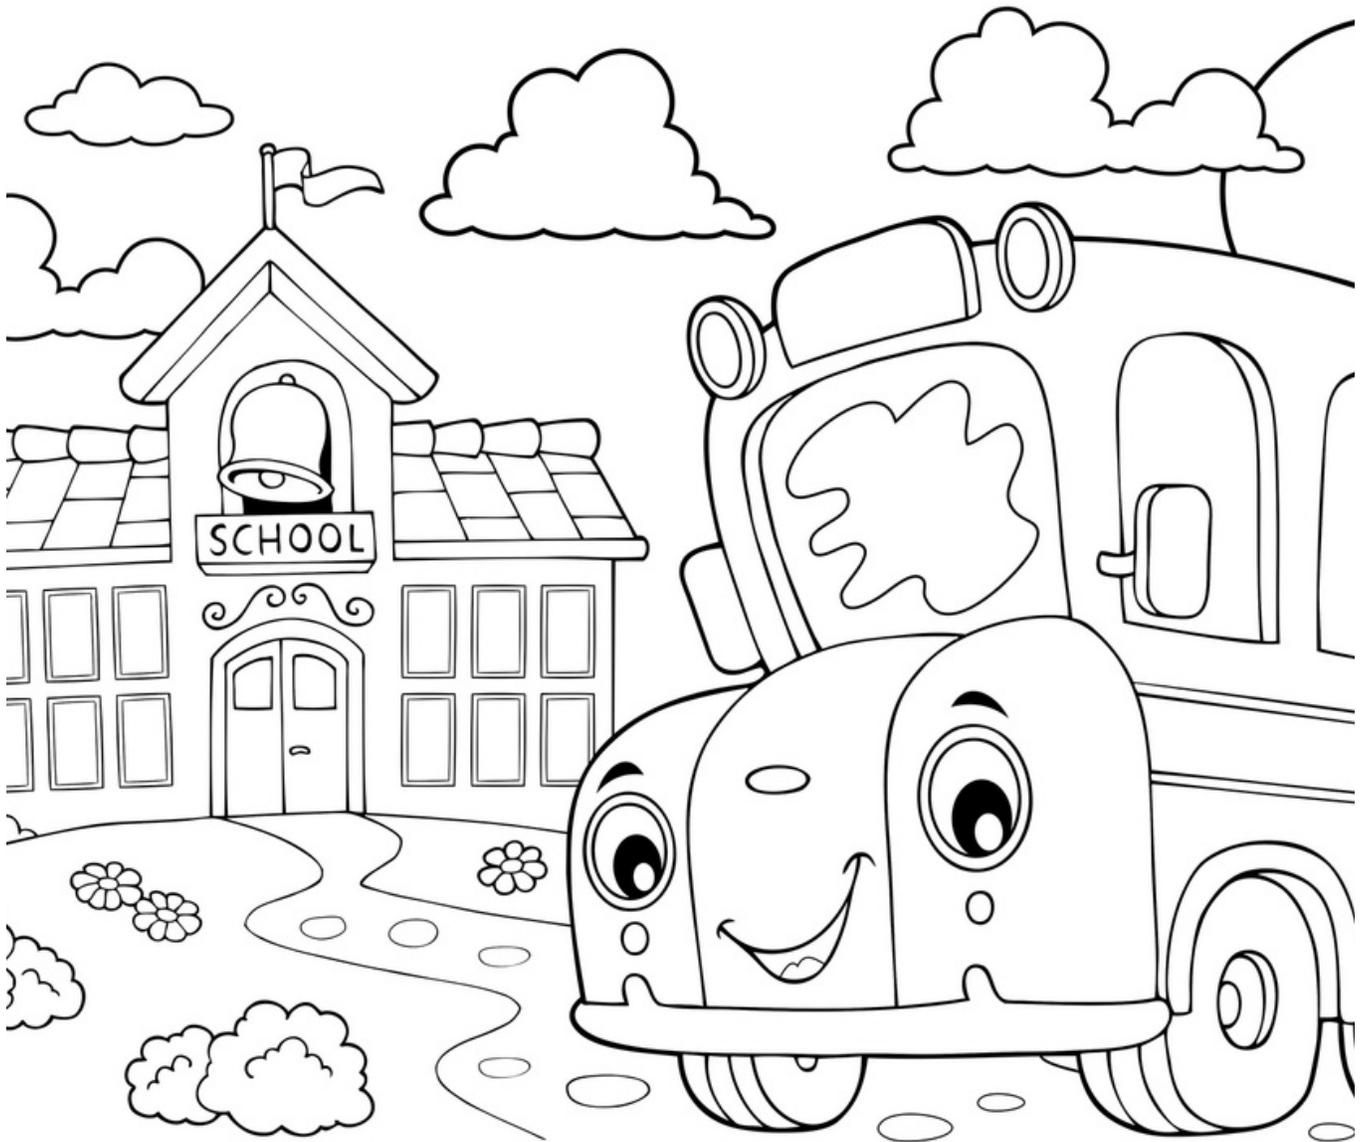

Listen up, I tell you! Junie B. Jones is back, and she's got some advice to give...eventually. It was her brilliant idea to put together a survival guide for next year's students, but now she's at a total loss for what to add to it! It doesn't help that all her friends are full of cool ideas and dance numbers. How's a girl supposed to deal with all this competition? hilariously, of course! In this musical extravaganza great for back-to-school time, Junie B. Jones learns some important lessons about school, patience, and personal growth. This play is perfect for fans of Junie B. and newcomers alike!

The show begins at 1:30pm and it is only \$5 per person at the Dallas Children's Theater. Recommended for ages 5 and up.

To purchase tickets, please call the DCT Box Office at 214-740-0051.
