WINTER WEATHER ADVISORY

OFFICE CLOSINGS DUE TO WINTER WEATHER

Epic Strides will be closed in the mornings due to inclement weather conditions if Plano ISD and Frisco ISD are closed for inclement weather conditions. Information about school closings are normally posted on <https://www.wfaa.com/closings>

Epic Strides will potentially open in the afternoon if the weather permits. Road conditions will be continuously monitored, and parents will be notified via email by 11:00 a.m. if Epic Strides will be opening for afternoon sessions.

If for any reason Epic Strides resumes for afternoon sessions and parents do NOT want to keep their regular scheduled appointment, please respond to the email as soon as possible stating so.

JANUARY PARENT TIP

WHAT IS COLLABORATION IN ABA THERAPY?

When discussing autism therapies and collaboration, it refers to the practice of different professionals, like speech therapists, occupational therapists, behavior analysts, and educators, working together as a team to create a comprehensive treatment plan for individuals with autism spectrum disorder (ASD), maximizing their progress by leveraging each specialist's unique expertise and ensuring consistent interventions across different environments; this collaborative approach is considered crucial for optimal outcomes in autism treatment.
